Players are grouped together by age and gender in teams that train once per week and also play in the competitive National US Youth Futsal League every Sunday. Futsal also known as fútsal or footsal is a variant of association football played on a hard court smaller than a football pitch and mainly indoors. It can be considered a version of five a side football. Futsal is played between two teams of five players each one of whom is the goalkeeper. Unlimited substitutions are permitted. Specialised training is essential so the goalkeeper can serve his team with effectiveness and safety. Increasingly the goalkeeper in a futsal team takes on functions that were not part of their duties in the past.
