"Pressestimmen 'Tomás Halík is building a broad community of readers in Europe, between various religions, disciplines, cultures, and nations. He writes at a level higher than our best spiritual writers but does not write as an academic theologian despite the fact that he knows that kind of literature well. Halík's message of religious tolerance and understanding, against the background of European secularization, reflects a new voice for an American audience.'--Richard Rohr, O.F.M., Center for Action and Contemplation'Seldom have I read a book that prompted me to think

about the mystery of God's love in such surprising and delightful new ways. By turns profound, challenging, and unsettling, Tomáš Halík's new book is also a rarity in theological and spiritual discourse in that it is beautifully written, clearly articulated, and wonderfully inviting.'--James Martin, S.J., author of *Jesus: A Pilgrimage*'I think of Tomáš Halík as I think of C.S. Lewis, Thomas Merton, and Henri Nouwen--a rare combination of intellect along with an uncommon commitment never to betray the gene that unites us all as children of God.'--Doris Donnelly, John Carroll University'Tomás Halík recovers the old insight of the church fathers that faith should be seen as a journey rather than a fixed dwelling. His meditation on this is full of fresh insights that renew old truths, and help us make surprising, biblical sense of our bafflement before the existential issues of faith. This is a book for our age.'--Charles Taylor, emeritus, McGill University'Seeking to apply his understanding of love in beneficial ways for our culture, Hálik offers a diagnosis of our times throughout this book, rather than in a designated section. Echoing Teilhard de Chardin's assertion that love alone can unify all without destruction, Hálik sees the need for a fundamental, unifying spiritual vision in the West, particularly in Europe.'--Reading Religion'Fluently translated by Gerald Turner, Halík's book is a masterfully written meditation on love, the God of love, and the implications that the love of God has for the Christian life. Eschewing easy or simplistic answers to the questions it poses, it seeks to shake believers from complacency and to instill in them an attitude of greater openness to the world and to the God who is its ground of being.'--Catholic Library World'A one-time member of the Czech underground and advisor to Václav Havel, Halík explores the theological understandings of love, grounding his discussion in scholarship yet writing in a style that is accessible to nonspecialists. . . . With this important book Halík joins the conversation taken up by Charles Taylor in *A Secular Age* and Martha Nussbaum in *Political Emotions: Why*

Love Matters for Justice. In addition to exploring the concept of love, Halík weaves important autobiographical elements that add personal depth to the conversation.'--Choice'In reading this fine book, I have come to see [Halík] as a theologian for Friends (Quakers). . . . I Want You to Be is all about love--not the love of adolescent infatuation or romantic fiction, not the love of the narcissist, nor the love of possessions or their acquisition--the deep love in which the ego is transcended and we come into the power that unites without destroying or appropriating. . . . Halík carries the reader gently and surely through reflections and meditations toward this end, yielding no final answers (as he warns in the first chapter) but only an 'interim report' of his own journey. It is well worth accompanying him.'--Friends Journal'In this luminous book, Tomás Halík embodies St. Paul's description of love--as patient, as kind, as bearing and enduring all things--in providing wise and gentle accompaniment to all those, believers and nonbelievers alike, who are seekers of transcendence in our perplexing times. In his exploration of the meaning of love of God and love of one's enemy, he mines insights not only from familiar figures such as Eckhart, Kierkegaard, and Levinas, but from surprising sources including Feuerbach, Marx, and Nietzsche. I Want You to Be adds to a body of work in which Halík has responded to Charles Taylor's historical-sociological-philosophical analysis of our 'secular age' with his own penetrating theological, spiritual, and psychological diagnosis of the conditions of post-secularity.'--William A. Barbieri, Catholic University of America'What we have here is not so much prayer but what I have experienced as a profound, beautifully expressed, and translated propaedeutic to prayer. For, in my prayerful reading of it . . . I found it to be an extraordinarily 'pure'/unadulterated example of *theologia secunda* as, e.g., distinguished from *theologia prima*.'--Worship Über den Autor und weitere Mitwirkende Under the pseudonym of A.G. Brain, Gerald Turner has translated numerous banned authors from Communist

Czechoslovakia, including Václav Havel, Ivan Klíma, and Ludvík Vaculík. His many published translations include Tomás Halík's *Patience with God* (2009) and *Night of the Confessor* (2012). He received the US PEN Translation Award in 2004. Tomás Halík worked as a psychotherapist during the Communist regime in Czechoslovakia and at the same time was active in the underground church as a secretly ordained Catholic priest. Since the fall of the regime, he has served as general secretary to the Czech Conference of Bishops and was an advisor to Václav Havel. He has lectured at many universities throughout the world and is currently a professor of philosophy and sociology at Charles University. His books, which are best sellers in his own country, have been translated into many languages and have received several literary prizes."
