Book English Published
London Paul Chapman 1996
This book focuses attention
on current early childhood
issues and examines them
inlight of the United
Nations Convention for the
Rights of the Child Early
childhood education
history. Early Education
Early Education is the
leading independent
national charity supporting
families and the
professional development of
practitioners working in

the maintained private
voluntary independent and
home based settings to
ensure effective early
childhood education
experiences of the highest
quality across the United
Kingdom.

**The field of children?s
rights has long been
fraught with both
controversy and confusion
The conundrum arises from
the fact that even self
described child advocates
typically fail to reach
consensus about the scope
of children?s rights 1 2
Some are child savers
committed to societal
engagement in children?s
protection**
