During economic contractions, it becomes much more difficult to sell your products, maintain your customer base, and gain market share. Mistakes become more costly, and failure becomes a real possibility for all those who are not able to make the transition. But imagine being able to sell your products when others cannot, being able to take market share from your competitors, and knowing the precise formulas that would allow you to expand your sales while others make excuses. In *If You're Not First, You're Last*, international sales expert Grant Cardone explains how to sell your products and services - despite the economy - and provides you with ways to capitalize regardless of your product, service, or idea. His proven strategies will allow you to not just continue to sell, but create new products, increase margins, gain market share and much more. Key concepts in *If You're Not First, You're Last* include: Converting the Unsold to Sold The Power Schedule to Maximize Sales Your Freedom Financial Plan The Unreasonable Selling Attitude

Listen up creators don't wait until that thing you're making is perfect or absolutely finished ship version 1.0 when it's good enough but you might even be embarrassed by it

If you are not first you are last. Unknown quotes from BrainyQuote. But if you are being abused naming what you are experiencing not only signals that it's a tangible problem but can also help you communicate with allies, employers, and law enforcement. Being first to the market is not as important as being number one in your category. You don't necessarily have to be the party introducing a product to be the best choice in the buyer's mind. If you aren't number one in your category or field then you are in a precarious and dangerous situation.
