Keep your day job

is one of the most important and derided points in steal like an artist i truly believe that up until this point a day job has been a blessing for me as i write in the book a day job gives you money a connection to the world and a routine freedom from financial stress also means freedom in your art. If you re going to give eight of your best hours to someone else you can definitely afford to give 30 minutes a day for your own future if you don t think that way you will continue to give the best hours of your life for 40 to 50 years or more and not have a whole lot to show for it later don t despise small beginnings either. Keep your day job lyrics still got to work that eight hour day whether you like that job or not you d better keep it on ice while you re lining up your long shot which is to say hey hey.

She shares insights about how we create survival strategies from childhood to keep ourselves busy so we don t feel and how we don t dream big because we don t want to be disappointed she says it s harder to make 45 000 a year than 1 million because at 45k you are serving someone else s dream

Don t keep your day job how to turn your passion into your career does not advocate quitting your day job and hoping for the best it does however offer inspiration and encouragement for people who are unhappy in what they do for a living whether it means starting your own business or finding a way to make your current career more fulfilling. Most employers don t mind a little time spent on facebook or texting but do focus on your job and give your employer the time you re getting paid for when it es to making lay off decisions and the pany has to choose your employer will keep the most productive employees make sure you re one of them. This program is read by the author from the
