A special movie tie-in edition of David Levithan's New York Times best-seller, now a major motion picture starring Angourie Rice of *Spiderman: Homecoming* and *The Nice Guys* - in theaters February 23, 2018! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with - day in, day out, day after day. But can Rhiannon love someone who is destined to change every day? "Wise, wildly unique." (Entertainment Weekly) "A story that is always alluring, oftentimes humorous and much like love itself--splendorous." (Los Angeles Times)
